## Financial Aid and Scholarships Available, Eligibility, and Contact information

The Faust Institute is an accredited school that has been approved for use of Government Grants and Loan programs. Students in need of financial assistance should consider these programs. More information can be found at [www.fafsa.ed.gov](http://www.fafsa.ed.gov).

- **PELL GRANT** - Grant applications forms are available to you at The Faust Institute's Financial Aid office. The Pell Grant is a "gift grant" that is the foundation of federal student aid. It does not have to be repaid. The program is available to students who are entering or continuing an undergraduate education and is based on need and available funds.
- **SUPPLEMENTAL EDUCATION OPPORTUNITY GRANT (S.E.O.G)** - The purpose of this grant is to assist in making available funds for qualified students who lack financial means. Eligibility is based on need, availability of funds and eligibility for Pell Grant.
- **Iowa Barber and Cosmetology Arts and Science Tuition Program** - The purpose of this grant is to assist in making available funds for qualified student that are residents of Iowa. Eligibility is based on FAFSA filing date of July 1 of each New Year as well as need.
- **Department of Veterans Affairs** - All Faust Institute of Cosmetology programs are approved for enrollment of veterans and other eligible persons. The student, or at least one of the parents of the student, must be a Veteran of the United States Armed Services.

**Direct Loans** - Direct Loan applications are available at the Faust Institute's Financial Aid offices.

- **Federal Direct Stafford/Ford Loans** - Also called Direct Subsidized Loans. "Subsidized" means the federal government pays the interest on these loans while you're in school at least half time, during grace periods and deferments. These loans are need based and are low-interest, with a variable-rate, which is adjusted each year on July 1<sup>st</sup>. The student must repay the loan. Payments will begin six (6) months after graduation.
- **Federal Direct Unsubsidized Stafford/Ford Loans** - Also called Direct Unsubsidized Loans. If you're an independent undergraduate student or dependent student whose parents are unable to get a PLUS Loan you might qualify for an un-sub loan. The federal government doesn't pay the interest on these loans while you're in school, in a grace period or in deferment students are responsible for paying all interest throughout the life of the loan. The interest is a variable-rate, which is adjusted each year on July 1<sup>st</sup>. Students may be eligible to receive both the Subsidized and Unsubsidized Federal Loans, but the total of both loans must not exceed the federal loan limit. Payments will begin six (6) months after graduation.
- **Federal Direct PLUS Loans** - Enables parents with good credit histories to borrow to pay the education expenses for each child who is a dependent undergraduate student enrolled at least half time. The yearly limit on the Plus loan is equal to the student's cost of attendance, minus any other financial aid a student receives. The interest is variable. Parents begin repaying a Plus Loan either 60 days after it is disbursed or can ask for a grace period. The interest begins to accumulate at the time the first disbursement is made.
- **Direct Consolidation Loan** - One or more federal education loans combined into a new Direct Loan. Only one monthly payment is made to the U.S. Department of Education.

# ***FAUST INSTITUTE OF COSMETOLOGY SATISFACTORY PROGRESS POLICY***

The Satisfactory Academic Progress policy (SAP) is consistently applied to all students at this Institute. This policy is given to each student prior to enrollment and is printed in the Student Handbook to ensure that all students receive a copy. This policy complies with all guidelines established by the National Accrediting Commission of Career Arts and Sciences (NACCAS) and the federal regulations established by the United States Department of Education.

## **EVALUATION PERIODS**

Students are evaluated for SAP as follows:

Cosmetology 525, 1050 and 1575 clocked (actual) hours  
Nail Technology 150 and 300 clocked (actual) hours

\*Transfer Students – Midpoint of the contracted hours or the established evaluation period, whichever comes first.

Evaluations will determine if the student has met the minimum requirements for SAP. The frequency of evaluations ensures that students have had at least one evaluation by midpoint in the course.

Financial Aid eligibility is monitored on a payment period basis and only students who are making satisfactory academic progress as defined by this policy are eligible for financial aid. Students making the minimum standards are considered making satisfactory academic progress until the next scheduled evaluation. This notification is given to the student in person. If the student is considered not to be making satisfactory progress at the end of the evaluation period please refer to the section of this policy titled (Warning Period). For the student to be considered to be making satisfactory progress as of the evaluation points, the student must be making satisfactory progress on both attendance and grades.

The **FAUST INSTITUTE** maintains an accumulation file on each student, concerning their progress throughout the program to verify their progress in academics, attendance and professional performance during their training.

**ATTENDANCE PROGRESS EVALUATIONS:** Students are required to attend a minimum of 75% of the hours possible based on the applicable attendance schedule in order to be considered maintaining satisfactory attendance progress. Evaluations are conducted at the end of each payment period to determine if the student has met the minimum requirements. The attendance percentage is determined by dividing the total hours accrued by the total number of hours scheduled. At the end of each payment period, the school will determine if the student has maintained at least 75% cumulative attendance since the beginning of the course which indicates that, given the same attendance rate, the student will graduate within the maximum time frame allowed.

## **MAXIMUM TIME FRAME**

The maximum time (which does not exceed 133% of course length) allowed for student to complete each course at SAP is stated below:

| <b>COURSE</b>  | <b>MAXIMUM TIME ALLOWED</b> |                       |
|--|-----------------------------|-----------------------|
|  | <b>WEEKS</b>                | <b>SCHEDULE HOURS</b> |
| Cosmetology - 2,100 Hours Academic Year – 1050 Hours | 80 Weeks                    | 2,650 Hours           |
| Nail Technology – 400 Hours                          | 16 Weeks                    | 533 Hours             |

**Contract Length:** The Contract length of the 2100 hour Cosmetology course for students attending a minimum of 36 1/2 hours per week is 60 weeks. This provides the student with approximately two (2) weeks of incidental absences for which they are not charged. However, any student not completing the course within 60 weeks will be charged at the current tuition rate per hour for any additional instruction needed to complete the course.

**ACADEMIC PROGRESS:** The qualitative element used to determine academic progress is a reasonable system of grades as determined by assigned academic learning. Students are assigned academic learning and a minimum number of practical experiences. Academic learning is evaluated after each unit of study. Practical assignments are evaluated as completed and counted toward course completion only when rated as satisfactory or better (80% or better) are given. If performance does not meet satisfactory requirements, it is not counted and the performance must be repeated. Written tests not meeting satisfactory requirements must be completed within the month or a 0% will be factored into theory grade average. At least two comprehensive practical skills evaluations will be conducted during the course of study. Practical skills are evaluated according to text procedures as set forth in practical skills evaluation criteria adopted by the school. Students must maintain a grade average of 80% and pass FINAL written and practical exam prior to graduation. Student must make up failed or missed tests and incomplete assignments.

Theory, Practical and Clinic will be graded according to the following scale.

|   |                              |
|---|------------------------------|
| A | (90-100)                     |
| B | (80-89)                      |
| C | (70-79)                      |
| D | (60-69)                      |
|   | Below 80 is Not Satisfactory |

\*Grades and attendance are evaluated monthly. Students falling below monthly standards receive an advising notice. For purposes of SAP; cumulative attendance and cumulative grades are measured at each payment period.

**DETERMINATION OF PROGRESS:** Students meeting the minimum requirements for academics and attendance at the evaluation points (payment periods) are considered making satisfactory academic progress until the next scheduled evaluation (payment period). Students will receive upon request from their advisor a hard copy of their SAP Determination at the time of each evaluation (payment period). Students deemed not maintaining SAP may have their Title IV Funding interrupted, unless the student is on warning or has prevailed upon appeal resulting in a status of probation. In addition each student will perform a written self-evaluation and have an advisory session with an appointed school official once before and once after the midterm of the program (approximately 500 hours and 1300 hours). This written self-evaluation will be recorded on their report card by the student's initials and date of evaluation. This self-evaluation is another point that allows student and school to measure progress.

**WARNING PERIOD:** Students failing to meet minimum progress requirements for attendance or academics are placed on warning and considered to be making SAP during this warning period. The student will be advised in writing on the actions required to attain SAP by the next evaluation period. This period will allow the student to be counseled by school officials. At the end of the Warning period, the students' progress will be re-evaluated. A student meeting minimum requirements will be determined as making satisfactory progress. If at the end of the warning period, the student has still not met either the attendance or academic minimums, the student may be placed on probation and, if applicable, students may be deemed eligible to receive Title IV funds

**PROBATION:** Students who fail to meet the minimum requirements for attendance or academic progress after the warning period will be placed on probation and considered to be making satisfactory academic progress while on probation, if the student appeals the decision, and prevails upon appeal. Additionally, only students who have the ability to meet the Satisfactory Progress Policy standards by the end of the evaluation period may be placed on probation. Students placed on an academic plan must be able to meet requirements set forth in the academic plan by the end of the next evaluation period. Students who are progressing according to their specific academic plan will be considered making SAP. The student will be advised in writing of the actions required to attain SAP by the next evaluation. Students who are progressing according to their specific academic plan will be considered making SAP. The student will be advised in writing of the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the probationary period, the student has still not met both the attendance and academic requirements required for SAP or by the academic plan, the student will be determined as NOT making SAP and, if applicable, student will not be deemed eligible to receive Title IV funds.

**RE-ESTABLISHMENT OF SAP:** Students may re-establish SAP and Title IV aid, as applicable, by meeting minimum attendance and academic requirements by the end of the warning or probationary period.

**INTERRUPTIONS, COURSE INCOMPLETES, WITHDRAWALS:** The Faust Institute of Cosmetology has a Leave Of Absence (LOA) policy please see your student handbook for the LOA policy. The student returning to school from an LOA will be in the same progress status as prior to the LOA. Hours elapsed during the LOA will extend the student's contract period and maximum time frame by the same number of days taken in the LOA and will not be included in the student's cumulative attendance percentage calculation. Students failing to return on the date of the expiration of a LOA will be considered withdrawn. If a student receives Title IV Direct Loans and they do not return from an approved LOA, the last day of actual attendance will be used for computing the six month grace period before repayment begins on loans. A student who withdraws from the contracted course or fails to complete their training will have notice placed in their file as to progress at point of withdrawal. A student who has withdrawn, and chooses to re-enroll within six (6) months, will re-enter without loss of hours and at their previous status. A student wishing to re-enroll after six (6) months will be tested on practical skills and evaluated on classes completed. Tuition charge will be made reflecting current tuition. A student making satisfactory progress at the point of withdrawal may apply for re-enrollment in the school and will be considered to be making satisfactory progress at point of re-entry.

**APPEAL PROCEDURE:** If a student is determined to not be making satisfactory academic progress, the student may appeal the determination within ten calendar days. Reasons for which students may appeal a negative progress determination include death of a relative, an injury or illness of the student, or any other allowable special or mitigating circumstance. The student must submit a written appeal to the school why the determination should be reversed. This information should include what has changed about the student's situation that will allow them to achieve SAP by the next evaluation period. Appeal documents will be reviewed and a decision will be made and reported to the student within 30 calendar days. The appeal and decision will be retained in the student file. If the student prevails upon appeal, the SAP determination will be reversed and federal financial aid will be reinstated, if applicable.

**NONCREDIT, REMEDIAL COURSES, REPETITIONS:** Noncredit, remedial courses and repetitions do not apply to this Institution. Therefore, these items have no effect upon the school's SAP standards.

**TRANSFER HOURS:** With regard to SAP, a student's transfer hours will be counted as both attempted and earned hours for purpose of determining when the allowable maximum time frame has been exhausted.

## Refund Policy, Requirements for Withdrawal and Return of Title IV Financial Aid

### Refund Policy

1. Any applicant rejected by the school shall be entitled to a refund of all monies.
2. If a student (or a student under legal age, their parent or guardian) cancels their enrollment and requests their money back, in writing, within three business days of signing the enrollment agreement/contract, all monies for tuition and pre-registration fee collected by the school shall be refunded. Cancellation date will be determined by postmark or written notification or date said information is delivered to school. This policy applies regardless of whether training has begun.
3. If a student cancels their enrollment, in writing after three business days after the signing, but prior to entering classes, they will be entitled to a refund of all monies paid to the school for tuition less the registration fee of \$55.00.
4. Enrollment is defined as the time elapsed between the actual starting day and the date of student's last day of physical attendance.
5. Formal termination shall occur not more than thirty days from the last day of physical attendance or in the event of a leave of absence, the documented date of return. The termination date for refund computation is the last date of actual physical attendance by the student. All money due the student on from Title IV will be returned within forty-five days after cancellation or termination. Any state refund will be made within 30 days.
6. The following items will adhere to the Federal Return of Title IV Funds policy, applied to all students, under the Higher Education Act (HEA) i.e. Federal Pell Grants, Federal SEOG Awards. Or PLUS loans awarded under the Federal Family Education Loan, (FFEL) of Federal Direct Student Loans (FDSL) programs: tuition adjustment schedule, leave of absence effects and provisions. These items will apply to those who withdraw or terminate from the institution during the first 60% of any payment period or period of enrollment. Payment periods are defined as 525 clock hours in a period with four payment periods.

*IN MOST CASES, THE RETURN OF UNEARNED TITLE IV FUNDS CALCULATION WILL RESULT IN THE STUDENT OWING TUITION AND FEES TO THE INSTITUTION. The actual incurred institutional charges are determined by tuition refund policy as established by The Iowa State Law as follows:*

1. The State refund policy will be used for all students. The college shall make a pro rata refund of 90% of the tuition for a terminating student based upon the ratio of scheduled clock hours to 60% of the scheduled clock hours of the payment period. If a student should terminate after 60% of the scheduled payment period, there is no refund of tuition.
2. If a student has completed 60% or more of the payment period, the institution is not required to refund tuition for the student under the State policy. However, in case of illness or disabling accident, death in the immediate family, migrating or other circumstances beyond the control of the student, the terminating student shall receive a refund of tuition charges in an amount that equals the amount of tuition charges to the student multiplied by the ratio of the remaining number of scheduled clock hours in the payment period to the total number of scheduled clock hours in the payment period.
3. The cost of extra items to the student; such as personal charges or purchases are not considered in the tuition refund computation. Those items become the property of the student when issued and are retained by the student. The school may add on any unpaid charges owed by the student.
4. All refunds are credited in the following order: Federal (SLS) FSL (unsubsidized), FSL (subsidized), Federal Parent Loans, Federal Direct (Unsub), Federal Direct (Sub), Federal Direct (Plus), Pell Grants, FSEOG, To other Federal, State, private, or institutional assistance programs and then to the student/parent.
5. If the school is permanently closed and no longer offering instruction after a student has enrolled; the school will do a Return of Unearned Title IV funds and the student charges and refund will be determined by using the Iowa State Refund policy.
6. If a course is canceled subsequent to a student's enrollment, the school shall at its option: 1) provide a full refund of all monies paid; or 2) Provide completion of the course.
7. In the event of default of the undersigned, it is agreed that the said undersigned will pay the cost of the collection, including reasonable attorney fees.

**H. Determine the percentage of the period completed:**  
Divide the clock hours scheduled to have been completed as of the withdrawal date in the period by the total clock hours in the period.

Hours scheduled to complete      Total hours in period

▶ If this percentage is greater than 60%, enter 100% in Box H and proceed to Step 3.

## STEP 3: Amount of Title IV Aid Earned by the Student

Multiply the percentage of Title IV aid earned (Box H) by the Total Title IV aid disbursed and that could have been disbursed for the period (Box G).

% X  = **I.** \$

## STEP 4: Title IV Aid to be Disbursed or Returned

- ▶ If the amount in Box I is greater than the amount in Box E, go to Item J (Post-withdrawal disbursement).
- ▶ If the amount in Box I is less than the amount in Box E, go to Title IV aid to be returned (Item K).
- ▶ If the amounts in Box I and Box E are equal, STOP. No further action is necessary.

**J. Post-withdrawal disbursement**  
From the Amount of Title IV aid earned by the student (Box I) subtract the Total Title IV aid disbursed for the period (Box E). This is the amount of the post-withdrawal disbursement.

**O. Amount for school to return**  
 Compare the amount of Title IV aid to be returned (Box K) to Amount of unearned charges (Box N), and enter the lesser amount.  
**O.\$**

**STEP 6: Return of Funds by the School**

The school must return the unearned aid for which the school is responsible (Box O) by repaying funds to the following sources, in order, up to the total net amount disbursed from each source.

| Title IV Programs                         | Amount for School to Return |

| 11. Iraq Afghanistan Service Grant | <input type="text"/> |

**STEP 7: Initial Amount of Unearned Title IV Aid Due from the Student**

From the amount of Title IV aid to be returned (Box K) subtract the Amount for the school to return (Box O).

-  = **Q.\$**  
Box K                      Box O

▶ If Box Q is ≤ zero, STOP. If greater than zero, go to Step 8.

**STEP 8: Repayment of the Student's loans**

From the Net loans disbursed to the student (Box B) subtract the Total loans the school must return (Box P) to find the amount of Title IV loans the student is still responsible for repaying (Box R).

These loans consist of loans the student has earned, or unearned loan funds the school is not responsible for repaying. They are repaid to the loan holders according to the terms of the borrower's promissory note.

-  = **R.\$**  
Box B                      Box P

- ▶ If Box Q is less than or equal to Box R, STOP. The only action a school must take is to notify the holders of the loans of the student's withdrawal date.
- ▶ If Box Q is greater than Box R, proceed to Step 9.

**STEP 9: Grant Funds to be Returned**

**S. Initial amount of Title IV grants for student to return**  
 From the Initial amount of unearned Title IV aid due from the student (Box Q) subtract the amount of loans to be repaid by the student (Box R).

-  = **S.**   
Box Q                      Box R

**T. Amount of Title IV grant protection**  
 Multiply the total of Title IV grant aid that was disbursed and that could have been disbursed for the period (Box F) by 50%.

X **50%** = **T.**   
Box F

**U. Title IV grant funds for student to return**  
 From the Initial amount of Title IV grants for student to return (Box S) subtract the Amount of Title IV grant protection (Box T).

-  = **U.**   
Box S                      Box T

▶ If Box U is less than or equal to zero, STOP. If not, go to Step 10.

**STEP 10: Return of Grant Funds by the Student**

Except as noted below, the student must return the unearned grant funds for which he or she is responsible (Box U). The grant funds returned by the student are applied in order as indicated, up to the amount disbursed from that grant program minus any grant funds the school is responsible for returning to that program in Step 6.

**Note that the student is not responsible for returning funds to any program to which the student owes \$50.00 or less.**

## **Transfer of Credit Policies and Articulation Agreements**

Students with credit for previous training will be considered on an individual basis for credit transfer. Students are evaluated on academic credit transfer based on an exam administered by an instructor. Transfer students costs are calculated proportionately based on the remaining hours needed for completion. Fees, books and equipment are charged according to the items needed by an incoming transfer student.

**Notice of Federal Student Financial Aid Penalties for Drug Law Violations**

Denial of Federal and State Benefits – Iowa Code 901.5(11) – The Court shall consider 21 U.S.C.A 862 (see below), and may order the denial of federal benefits, such as school loans, grants, contracts, professional or commercial licenses. Does not include retirement, welfare, Social Security, health, disability, veteran’s benefits, public housing, or similar benefits. For any violation of Chapter 124, the court shall consider the denial of state benefits and may order their denial comparable to the federal benefits. Iowa Code 901.5(12). See the Student Handbook for more information.

| Denial of Federal Benefits to Drug Traffickers and Possessors |   |   |
|---|---|---|
|   | Drug Traffickers  | Drug Possessors   |
| First Offense   | Ineligible for any or all federal benefits for up to 5 years  | 1. Ineligible for any or all federal benefits for up to 1 year; and/or<br>2. Successfully complete and approved drug treatment program with periodic future testing; and/or<br>3. Perform appropriate community service |
| Second Offense  | Ineligible for any or all federal benefits for up to 10 years | 1. Ineligible for any or all federal benefits for up to 1 year; and/or<br>2. Successfully complete and approved drug treatment program with periodic future testing; and/or<br>3. Perform appropriate community service |
| Third or Greater Offense                                      | Permanently ineligible for all federal benefits               | N/A   |

Convictions only count if they were for an offense that occurred during a period of enrollment for which the student was receiving Title IV aid – they do not count if the offense was not during such a period. Also, a conviction that was reversed, set aside, or removed from the student’s record does not count, nor does one received when she was a juvenile, unless she was tried as an adult.

The student regains eligibility the day after the period of ineligibility ends or when he successfully completes a qualified drug rehabilitation program. Further drug convictions will make him ineligible again.

Students denied eligibility for an indefinite period can regain it only after successfully completing a rehabilitation program or if a conviction is reversed, set aside, or removed from the student’s record so that fewer than two convictions for sale or three convictions for possession remain on the record. In such cases, the nature and dates of the remaining convictions will determine when the student regains eligibility. It is the student’s responsibility to certify that he/she has successfully completed the rehabilitation program.

When a student regains eligibility during the award year, Pell aid may be awarded for the current payment period and Direct loans for the period of enrollment.

**Vaccinations Policy** - Faust Institute of Cosmetology has no policy regarding vaccinations.

## **Drug and Alcohol Abuse Prevention Program**

### *Health Risks Associated with the use and abuse of Alcohol and illicit Drugs*

Alcohol consumption causes a number of marked changes in behavior. Even low doses of alcohol significantly impair the judgment and coordination required to drive a car safely, increasing the likelihood that the driver will be involved in an accident. The use of even small amounts of alcohol by a pregnant woman can damage the fetus. Low to moderate doses of alcohol also increases the likelihood of a variety of aggressive acts. Moderate to high doses of alcohol cause marked impairment in higher mental functions, severely altering a person's ability to learn and remember information. Heavy use may result in chronic depression and suicide, and may also be associated with the abuse of other drugs. Very high doses can cause respiratory depression and death. If combined with other depressants of the central nervous system, much lower doses of alcohol will produce effects described above for very high doses. Long-term, heavy alcohol use can cause digestive disorders, cirrhosis of the liver, circulatory system disorders and impairment of the central nervous system, all of which may lead to early death.

Repeated use of alcohol can lead to dependence, and at least 15-20 percent of heavy users eventually will become problem drinkers or alcoholics if they continue drinking. Sudden cessation of alcohol intake is likely to produce withdrawal symptoms, including severe anxiety, tremors, hallucinations and convulsions, which can be life threatening.

The use of illegal drugs, and the misuse of prescription and other drugs, poses a serious threat to health. For example, the use of marijuana may cause impairment of short-term memory, comprehension, and ability to perform tasks requiring concentration. The use of marijuana also may cause lung damage, paranoia and possible psychosis. The use of narcotics, depressants, stimulants and hallucinogens may cause nervous system disorders and possible death as the result of an overdose. Illicit inhalants can cause liver damage.

There are significant risks associated with the use of alcohol and drugs. These risks include impaired academic or work performance; lost potential; financial problems; poor concentration; blackouts; conflicts with friend and others; vandalism; theft; murder; sexual assault and other unplanned sexual relationships; spouse and child abuse; sexually transmitted diseases; and unusual or inappropriate risk-taking which may result in physical or emotional injury or death.

The school maintains drug and alcohol education information, which can be obtained from the Student Services Coordinator. Available Drug and Alcohol Counseling and Rehabilitation are available through [www.drugfreeinfo.org](http://www.drugfreeinfo.org), 24/7 help line in Iowa, Call 1-866-242-4111.

### **Privacy of Student Records – Family Educational Rights and Privacy Act (FERPA)**

FERPA gives parents certain rights with respect to their children's education records. These rights transfer to the student when he or she reaches the age of 18 or attends a school beyond the high school level. Students to whom the rights have transferred are "eligible students."

- Parents or eligible students have the right to inspect and review the student's education records maintained by the school. Schools are not required to provide copies of records unless, for reasons such as great distance, it is impossible for parents or eligible students to review the records. Schools may charge a fee for copies.
- Parents or eligible students have the right to request that a school correct records, which they believe to be inaccurate or misleading. If the school decides not to amend the record, the parent or eligible student then has the right to a formal hearing. After the hearing, if the school still decides not to amend the record, the parent or eligible student has the right to place a statement with the record setting forth his or her view about the contested information.
- Generally, schools must have written permission from the parent or eligible student in order to release any information from a student's education record. However, FERPA allows schools to disclose those records, without consent, to the following parties or under the following conditions (34 CFR § 99.31):
  - School officials with legitimate educational interest;
  - Other schools to which a student is transferring;
  - Specified officials for audit or evaluation purposes;
  - Appropriate parties in connection with financial aid to a student;
  - Organizations conducting certain studies for or on behalf of the school;
  - Accrediting organizations;
  - To comply with a judicial order or lawfully issued subpoena;
  - Appropriate officials in cases of health and safety emergencies; and

- State and local authorities, within a juvenile justice system, pursuant to specific State law.

Schools may disclose, without consent, "directory" information such as a student's name, address, telephone number, date and place of birth, honors and awards, and dates of attendance. However, schools must tell parents and eligible students about directory information and allow parents and eligible students a reasonable amount of time to request that the school not disclose directory information about them. Schools must notify parents and eligible students annually of their rights under FERPA. The actual means of notification (special letter, inclusion in a PTA bulletin, student handbook, or newspaper article) is left to the discretion of each school. For additional information, you may call 1-800-USA-LEARN (1-800-872-5327) (voice). Individuals who use TDD may call 1-800-437-0833.
